
STRATEGIC MARKETING PLAN

NEW CONSTRUCTION · THE SELLING PROGRAM FOR BUILDER PARTNERS

Finished homes deserve a launch, not a listing. Eight phases, from the first rendering to the final walkthrough, run by the same team that helped you find the lot.

PHASE 1 · STRATEGIC PRE-MARKETING PARTNERS

How do you sell a buyer on a home that does not exist yet? Renderings that feel finished, a Walk Your Plans experience, and exclusive early access. We partner with rendering and media studios that bring the plans to life before the home goes vertical, so the story starts at the slab.

PHASE 2 · PROJECT AWARENESS

Luxury rendering signage on the site to capture buyers driving the neighborhood, and a customized project landing page on victoryformationventures.com that establishes the vision: key features, floor plans, renderings, and a private-interest form.

PHASE 3 · LEVERAGE RELATIONSHIPS

Established relationships with professional athletes, executives, relocating founders, and high-net-worth buyers, in Austin and through our Nashville sister firm The Stonehouse Company, position us to offer exclusivity and access that others cannot.

PHASE 4 · PRIVATE ACCESS

Our philosophy is strategic scarcity. The most exceptional properties deserve a debut defined by privacy and prestige rather than mass-market saturation. Our private list sees the home before it reaches the public eye, creating demand driven by the privilege of early entry. More luxury homes trade off-market than on, because clients trust that what we bring them has already been vetted to their standards. Homes that do not trade privately go Coming Soon, then Active on Unlock MLS, with the story already built.

PHASE 5 · CONTENT AND PROJECT UPDATES

A social campaign from groundbreak to completion with our photo and film partner, highlighting the key features, materials, and craftsmanship of the property as it rises.

PHASE 6 · PROFESSIONAL VIDEO AND PHOTOS

On completion, aerial drone video and professional lifestyle photography of the interior detail, produced for social, print, and the landing page. A listing that stands out on attention to detail and quality.

PHASE 7 · KICKOFF EVENT

A broker's open that is an experience: handcrafted coffee, a private chef, live entertainment staged throughout the house, so every agent in the room leaves with a story to tell their buyers.

PHASE 8 · OPEN HOUSE AND PRIVATE SHOWINGS

We take a client-education approach to open houses and showings, walking buyers through build quality and the details they would have overlooked. That is why we are involved in the project from start to finish.

Exclusivity · Relationships · Detail · Partnerships · Experiences

That is how we sell homes.
